**THE BULL SHED RESTAURANT AT THE ISO  
NAMED “BEST OF KAUAI” BY THE GARDEN ISLAND READERS**

Kapaa, Kauai (FINAL) – The Bull Shed Restaurant at The ISO, a Castle Resorts & Hotels property, once again took top honors in The Garden Island’s “Best of Kauai 2019” People’s Choice Awards. The Bull Shed Restaurant received First Place in the categories of “Restaurant” and “Steak.”

“We’re honored to receive these prestigious recognitions from The Garden Island’s Best of Kauai 2019 Awards,” said Ala Perreira, general manager of The ISO. “These awards are a testament to our talented team at The Bull Shed and the culinary expertise they bring to the table in order to provide our guests with a memorable dining experience.”

Located on the beautiful Royal Coconut Coast in Kapaa, Kauai, The Bull Shed Restaurant has served award-winning steak and seafood for the past 40 years. Following an extensive renovation in 2018, The Bull Shed Restaurant now features a rustic A-frame structure, light-color walls, and a full wall of glass showcasing a stunning ocean view.

The Bull Shed Restaurant is located adjacent to The ISO, a newly renovated 79-room boutique hotel offering a private, oceanfront retreat. The ISO is the only property on Kauai's east shore that sits on the ocean's edge without any form of separation, with all of its rooms featuring breathtaking ocean views. Among the property's amenities are an oceanfront swimming pool, large grass courtyard with lounge chairs, fire pit, water station and outdoor fitness area.
