**CASTLE RESORTS & HOTELS SELECTED TO MANAGE THE  
WAIMEA COUNTRY LODGE ON HAWAII ISLAND**

HONOLULU (FINAL) – Castle Resorts & Hotels has been selected to manage the Waimea Country Lodge, a rustic 21-room property located in historic Waimea town on the island of Hawaii. The property is under new ownership.

“We’re pleased to represent this charming property in the center of Hawaii Island’s beautiful paniolo (Hawaiian cowboy) country,” said Castle Resorts & Hotels President & CEO Alan Mattson. “Guests love the small-town appeal of the rustic lodge, which offers the perfect island escape for visitors and kamaaina alike.”

Situated on rolling grasslands and framed by scenic mountain views, Waimea Country Lodge offers comfortable accommodations where small-town charm meets warm Hawaiian hospitality. Catering to the value-minded traveler, the farmhouse-style lodge features spacious guest rooms and studios with modern conveniences like daily housekeeping, kitchenettes and high-speed WiFi access.

Inland from the Kohala Coast, Waimea is home to a thriving community of food, arts and local culture. There are a wide variety of restaurants within walking distance of the

property in addition to art and antique galleries. Nearby Parker Ranch offers self-guided tours, hunting and horseback riding tours. Visitors also enjoy nearby golf and Hapuna Beach is a 15-minute drive away.
